

INDEX TO VOLUME XIV

A

- Abdomen, Acute, 643
- Abdomen, Acute traumatic surgery of the, 150
- Abdomen, Traumatic, 1047
- Abortion, induced, Tetanus following (case report), 737
- Abscess, Hepatic, following acute appendicitis with recovery, 155
- Abscess, Intra-abdominal, 257
- Accidents of labor, 892
- Actinomycosis, Localized, 75
- Acute abdomen, 643
- Acute bowel obstruction, 16
- Acute dilatation of the stomach, 218
- Acute mechanical obstruction of the lower bowel, 635
- Acute poliomyelitis, 396
- Acute traumatic surgery of the abdomen, 150
- Addison's disease, Treatment of, by the cortical hormone of Swingle and Piffner (case report), 442
- Adhesive bandage in the treatment of varicose ulcer, The, 715
- Agranulocytic angina: report of a case, 696
- Alcoholic polyneuritis with cranial nerve involvement: Korsakow syndrome (case report), 259
- Allergy, anaphylaxis and hypersensitiveness, 650
- Allergy and pneumococcus lobar pneumonia, 898
- Altnow, Hugo O., and Jensen, Herman H.: Two cases of pellagra from Minnesota, 341
- Alvarez, Walter C.: Opinions of 470 physicians in regard to the advantages and disadvantages of using bran and roughage, 296
- Alvarez, Walter C.: The art of medicine, 227
- American Medical Association, Sketch of the early history of the, 602
- American rite, The—tonsillectomy, 790
- Anal fissures, The treatment of, 910
- Anaphylaxis, Allergy and hypersensitiveness, 650
- Anderson, Arnold: Our tuberculosis sanatoria, 437
- Anderson, Ernest R., and Webb, R. C.: Hepatic abscess following acute appendicitis with recovery, 155
- Anderson, James Kerr: Diagnosis and treatment of pilonidal sinus, 421
- Anemia, secondary, A consideration of, 499
- Anesthesia, Spinal, 531
- Anesthesia, spinal, Extra-ocular muscle paralyzes following, 648
- Angina, Agranulocytic: report of a case, 696
- Ankle joint, Fractures of the, 971
- Anus and rectum, Tuberculosis of the, 622
- Aortic stenosis with calcareous nodules in the aortic valves, 289
- Appendicitis, acute, Causes of death from, 212
- Appendicitis, acute, Hepatic abscess following, with recovery, 155
- Appendicitis, Retrocecal, 717
- Appendicitis, Traumatic (case report), 733
- Armstrong, John M.: The founding of the Ramsey County Medical Society, 904
- Art of medicine, The, 227
- Association of peptic ulcer and cholecystic disease, the, 330

ABSTRACTS

Eye, Ear, Nose and Throat

- Brain abscess and methods of drainage, 196
- Cause and treatment of some frontal headaches with report of cases, 283
- Cholesteatoma, 758
- Chronic maxillary sinusitis, 676
- Chronic suppurative otitis media, 283

- Effect of tonsillectomy in allergic conditions, The, 1010
- Endogenous panophthalmitis accompanying tonsillitis, 1010
- Herpes and allied conditions, 677
- Important points in tonsillectomy, 196
- Injuries of the ear from fracture of the skull, 1010
- Intracapsular cataract extraction, 677
- Management of otitis media in children, 195
- Maxillary antra as foci of infection, 467
- Myopia from the point of view of heredity, 466
- Myopia, The control of, 937
- Neuro-otological observations in concussion of the brain, 936
- Occurrence of eye lesions in tuberculous patients, The, 1009
- Operative treatment of glaucoma, 382
- Oral infections and their relation to diseases of the eye, 109
- Pathogenesis of otosclerosis, The, 1011
- Physical therapy in the treatment of diseases of the ear, nose and throat, 833
- Prognostic value of examination of the blood in otology, 759
- Retrolbulbar optic neuritis originating in the nasal sinuses, 834
- Roentgen findings in suppuration of the petrous apex, 834
- Sinusitis in children, 759
- Study of calcium in relation to cataract—report of research, 677
- Suppuration of the petrous pyramid, The, 832
- Symptom of vertigo, The, 1011
- Use of insulin in post-operative mastoiditis, 467

Gynecology and Obstetrics

- An analysis of fifty cases of toxemia of pregnancy, 197
- Concerning spasmodic conditions of the uterus and treatment, 197
- Fibromyomata uteri, treatment and end-results, 198
- Intrathoracic new growths, 284
- The hydrogen-ion concentration of the blood in eclampsia, 197
- The incidence of puerperal infection due to anaerobic streptococci, 197

Medicine

- Alternating pneumothorax, 384
- Cases of pulmonary tuberculosis with early cavity formation and few symptoms, 593
- Development in the problem of arthritis, 469
- Epithelioid cell, The, 836
- Epituberculosis, 198
- Leukocytic reaction in tuberculosis of infants and children, 1013
- Non-apical infiltrations in pulmonary tuberculosis, 592
- Relation between allergy and immunity in tuberculosis, 761
- Some problems in the diagnosis and treatment of thyrotoxicosis, 198
- Tuberculosis abstracts, 284, 383, 468, 590, 678, 760, 835, 938, 1011, 1080
- Urinary acidity in tuberculosis, 1014
- The adrenalin test and cholesterol determination in the diagnosis of borderline hyperthyroid, 199
- The effect of lessened respiratory reserve on blood and circulation, 591

Pediatrics

- Abdominal pain in children with upper respiratory infections, 1016
 Acute hemolytic anemia in childhood, 286
 Acute intussusception in infancy: operative and non-operative treatment, 385
 Acute phosphorus poisoning, 386
 Alimentary anemia, 286
 Antrotomy in children during tonsillectomy, 681
 Appendicitis in children, 762
 Blood changes in acute rheumatic affections of the heart during childhood, 838
 Chorea, 110
 Cod liver oil emulsified in an extract of germinating grains: Its tolerance by the infant gastro-intestinal tract and its prophylactic value, 940
 Defect of the Dick test and its remedy, 109
 Die tuberculinplasterprobe—Eine vereinfachte methode zur ausführung der perkutanen tuberculinprobe, 837
 Diphtheria of the umbilicus, 286
 Effect of pasteurization upon the vitamin C content of milk in the presence of certain metals, The, 939
 Efficiency of scarlet fever antitoxin, 680
 Factors involved in combating the "hunger strike" in children, 470
 Febrilephobia, 1016
 Feeding convalescent cases of colitis, 286
 Hirschsprung's disease treated by lumbar sympathectomy, 1015
 Immunity to poliomyelitis in mothers and the newborn as shown by the neutralization test, 201
 Loss of immune substances from the body. II. Diphtheria antitoxin in human saliva, 940
 Low fat high starch evaporated milk feeding for the marasmic baby, 470
 Mechanism of the ketogenic diet in epilepsy, 762
 Moro reflex as a diagnostic aid in fracture of the clavicle in the new-born infant, 762
 Phenylethylhydantoin: Its use in chorea, 940
 Premature infants—a study of 231 cases of premature infants at Philadelphia Lying-In Hospital, 837
 Post-vaccinal encephalitis in infancy, 681
 Rapidity of immunization with diphtheria toxoid, 201
 Raw basic feeding in anorexia of childhood, 838
 Roentgenographic re-examination of chests of children after measles, 471
 Sinusitis in children, 837
 Studies in scarlet fever. VI: Combined active and passive immunization to scarlet fever, 1014
 Studies in scarlet fever. VII: Treatment with streptococcus antitoxic serum, 1014
 Studies in the common cold, 201
 Studies on the incidence of tuberculous infection, 939
 Suspected juvenile tuberculosis, 110
 Tetany, generalized edema and cerebral compression in the new-born, 471
 The influence of feeding on certain acids in the feces of infants, 200
 Therapeutic use of mixed respiratory vaccines, 385
 Treatment of epidemic meningitis, 681
 Tubercle bacilli in children with erythema nodosum, 681
 Tuberculosis, 593
 Use of powdered milk and milk derivatives in the concentration of infant foods, 110
 Use of respiratory vaccine in the treatment of pneumonia in children, 680
 Viosterol and cod liver oil, 1015

Roentgenology

- Diagnosis and treatment of the so-called sciatic neuralgias, 763
 Elaboration of criteria upon which the early diagnosis of acute intestinal obstruction may be made. With

special consideration of the value of X-ray evidence, 1017

- Irritable colon, The, 111
 Obstructive lesions of the small bowel, 1017
 Osseous changes in hyperparathyroidism associated with parathyroid tumor, 1018
 Pathology of early pulmonary tuberculosis as revealed by X-rays, 111
 Roentgen diagnosis of aortic aneurism, 1018
 Roentgenological appearance of interlobar and mediastinal encapsulated effusion in the thorax, 838

Surgery

- Acute pancreatitis, abdomino-lumbar transfixion in the drainage of acute pancreatitis, 200
 Anuria—report of nine cases, 684
 Coccidiodal granuloma—roentgen diagnosis, 763
 Immediate and remote end-results following operations on the biliary passages, 682
 Mixed tumors of the kidney in infancy and childhood, 287
 Mixed tumors of the salivary glands, 386
 Operative treatment of syringomyelia, 685
 Push fluids, 386
 Spinal anesthesia by limited individually dosed belt-like distribution, 839
 Spondylolithesis, 387
 The conservative treatment of prepatellar bursitis, 594
 Therapeutic pulmonary collapse by alcoholism of phrenic nerve, 472
 The surgery of diabetes as it concerns gangrene of the lower extremities and carbuncles, 199
 The treatment of harelip and other facial clefts, 199
 Treatment of epicondylitis humeri, 472
 Treatment of various peripheral pain syndromes by subarachnoid alcoholization of posterior nerve roots, at their emergence from the spinal cord, 1018
 Über die Resultate der Operativen Behandlung der Grawitztumoren, 287

B

- Backache from the orthopedic viewpoint, 249
 Bacteriology of acute rheumatic fever with an experimental basis in animals for vaccine therapy, 1
 Balfour, Donald C.: Recent developments in the treatment of duodenal ulcer, 953
 Basal metabolic rates, low, Concerning limitations of the clinical significance of, 713
 Bayard, Harry F.: Rectal myoma (case report), 1061
 Bayard, Harry F.: The treatment of anal fissures, 910
 Bellows, H. A.: Radio and quack medical propaganda, 597
 Benign polyps of the colon and their relation to cancer, 416
 Benjamin, Arthur E.: Diverticulitis of the colon and sigmoid—Its complications and treatment, 912
 Bergheim, Martin C.: Prenatal care and the careful conduct of delivery, 884
 Bilateral spontaneous pneumothorax (case report), 80
 Bilateral spontaneous pneumothorax: Report of a case (case report), 550
 Blind, deaf and feeble-minded, The, 435
 Blood pressure, Racial differences in, 726
 Bowel, Functional disorders of the, 411
 Bowel, lower, Acute mechanical obstruction of the, 635
 Bowel obstruction, Acute, 16
 Bowing, Harry H., and Fricke, Robert E.: Irradiation of carcinoma of the cervix uteri, 237
 Boynton, Ruth E.: Vaginal thrush (case report), 1058
 Braasch, William F.: Intravenous urography, 978
 Brain, Diffuse subcortical sclerosis of the, 62
 Brain tumor, The relationship of epileptic seizures to, 245

- Bran and roughage, Opinions of 470 physicians in regard to the advantages and disadvantages of using, 296
- Bray, E. R.: Treatment of paranasal sinusitis, 1051
- Bumpus, L. Dudley, and Snell, Albert M.: Unusual deficiency syndrome secondary to duodenal occlusion and ulcerative colitis, 336
- Burns, Electric, and shock, 701
- Burns, H. A.: The institutional care of tuberculosis, 618
- Burns, H. A.: Tuberculosis, a public health problem, 431
- Burns, William J.: The place of the local medical society, 113
- Busher, Herbert: Retrocecal appendicitis, 717
- Buzzelle, L. K., and Green, E. K.: Vaginal hernia, 163

BOOK REVIEWS

- Alvarez, Walter C.: Nervous indigestion, 288
- Annual reprint of the reports of the Council on Pharmacy and Chemistry of the American Medical Association, 764
- Bassler, Anthony: Intestinal toxemia (auto-intoxication) biologically considered, 1020
- Blumel, C. S.: Mental aspects of stammering, 596
- Braithwaite, J. V. C.: Infant Feeding, 474
- Clendening, Logan: Modern Methods of Treatment, 473
- Composite Index and Cumulative Supplement, 474
- Fifield, James Clark: American physicians and surgeons, 941
- General Medicine, The Practical Medicine Series, 388
- Gossett: What the public should know about childbirth, 1020
- Harras, J. A., et al: The Measurement of Man, 474
- Haultain, W. F. T., and Fahmy, E. Chalmers: Ante-Natal Care, 473
- Helmholz, Henry F., and Amberg, Samuel: Diseases of the genito-urinary system in infancy and childhood, 387
- Holmes, George W., and Ruggles, Howard E.: Roentgen interpretation: a manual for students and practitioners, 1082
- Homans, John: A textbook of surgery, 686
- Kohn, L. Winfield: Practical Treatise on Diseases of the Digestive System, 475
- Laroche, Richet, and Saint-Girons: Alimentary anaphylaxis, translated by Mildred P. and Albert H. Rowe, 112
- Lyttle, John D.: Laboratory Pediatrics, 473
- May, Charles M.: Manual diseases of the eye, 202
- Meyer, Willy: Cancer: Its Origin, Its Development and Its Self-Perpetuation, 476
- Miller, C. Jeff: An introduction to gynecology, 942
- Murray, Clay Ray: Treatment of injury by the general practitioner, 941
- New and non-official remedies, 1931, 840
- Osler and McCrae: Modern Medicine, 473
- Pruitt, Marion C.: Modern practice, 941
- Rachemann, Francis M.: Clinical allergy, particularly asthma and hay fever: Mechanism and treatment, 595
- Roddie, Louis H.: Edward Jenner and the discovery of smallpox vaccination, 112
- Schilling, V.: The blood picture and its clinical significance, translated by R. B. H. Gradwohl, 202
- Simkins, Cleveland Sylvester: Textbook of human embryology, 764
- Stedman, Thomas Lathrop: A Practical Medical Dictionary, 474
- Stedman, Thomas Lathrop: The nurses' medical lexicon, 1082
- Stieglitz, E. J.: Arterial hypertension, 388
- Stimson, Philip M.: Common contagious diseases, 840
- Williams, J. W.: Obstetrics, 202
- Wohl, Michael G.: Bedside interpretation of laboratory findings, 942
- Young, James K.: Handbook of anatomy, being a complete compend of anatomy, 595

C

- Camp, Walter E.: The pathology and pathogenesis of ocular melanomata, 784
- Carcinoma of colon and sigmoid, 627
- Carcinoma of the cervix uteri, Irradiation of, 237
- Carcinoma of the larynx, Double bronchial cysts complicated by (case report), 555
- Carcinoma of the pancreas with esophageal obstruction from metastasis to the lymph nodes of the mediastinum (case report), 352
- Carcinoma of the uterus, The present status of the treatment of, 943
- Cardiac emergencies, 517
- Cardiology and the general practitioner, 879
- Carditis, Rheumatic, 8
- Causes of death from acute appendicitis, 212
- Cerebrospinal meningitis, 54
- Cervicitis, chronic, Office treatment of, 507
- Cervix uteri, Irradiation of carcinoma of the, 237
- Chatterton, Carl C.: Gillette State Hospital for crippled and deformed children, 439
- Chest diseases, Some points in the differential diagnosis of, 301
- Chest, The value of the roentgenologic examination of the, 984
- Children, crippled and deformed, Gillette State Hospital for, 439
- Cholecystic disease and peptic ulcer, Factors of importance in the differential diagnosis of, 706
- Cholecystic disease and peptic ulcer, The association of, 330
- Clawson, B. J.: Bacteriology of acute rheumatic fever with an experimental basis in animals for vaccine therapy, 1
- Cole, Wallace H.: Free joint bodies (case report), 354
- Colitis, ulcerative, and duodenal occlusion, Unusual deficiency syndrome secondary to, 336
- Colon and sigmoid, Carcinoma of, 627
- Colon and sigmoid, Diverticulitis of the—Its complications and treatment, 912
- Colon, Benign polyps of the, and their relation to cancer, 416
- Colon, The indications for an examination of the, 992
- Colvin, A. R.: Fractures of the hip, 960
- Committee on Public Health Education, 90, 180, 268, 362, 448, 562, 662, 744, 824, 930, 1002, 1066
- Compression fractures of the vertebrae, 720
- Concerning limitations of the clinical significance of low basal metabolic rates, 713
- Condit, William H.: Non-specific vaginitis, 319
- Congenital hypertrophic pyloric stenosis, 540
- Congenital intestinal obstruction (case report), 736
- Consideration of secondary anemia, A, 499
- Consultation Bureau, 92, 182, 270, 364, 451, 566, 666, 748, 826, 933, 1006, 1079
- Coronary occlusion, 206
- Cosas medicas Filipinas (Philippine medical affairs), 346
- Cottam, Geoffrey: The supraccricoid administration of lipiodol, 1070
- Counseller, Virgil S.: Leukoplakic vulvitis or kraurosis vulvae: its relation to carcinoma and its surgical treatment, 312
- Coventry, W. A., and Moe, Russell J.: Trichomonas vaginalis vaginitis, 1024
- Craig, Winchell McK.: Head injuries, 131
- Crippled and deformed children, Gillette State Hospital for, 439
- Crownhart, J. G.: The economic trend in medicine, 118
- Cysts, Double bronchial, complicated by carcinoma of the larynx (case report), 555
- Cyst, Omental, in a child (case report), 656

COMMUNICATIONS

Goodwin, E. J., 447
Young, J. R., 934

D

Davis, Ben F.: Wounds of the thorax, 127
Davis, Edwin: Results in perineal prostatectomy, 389
Davis treatment of compression fractures of the spine with a suggested method in dislocations, The, 135
Deaf, blind and feeble minded, The, 435
Deficiency syndrome, Unusual, secondary to duodenal occlusion and ulcerative colitis, 336
Delivery, the careful conduct of, and, Prenatal care, 884
Detection and treatment of respiratory infections among University students, 425
Diabetes, bronzed, or hemochromatosis (case report), 260
Diabetes mellitus, Hyperthyroidism complicating (case report), 546
Diagnosis and treatment of pilonidal sinus, 421
Diagnosis of herpes zoster ophthalmicus, 322
Diehl, Harold S.: Racial differences in blood pressure, 726
Differential diagnosis of endocarditis, 521
Diffuse subcortical sclerosis of the brain, 62
Diphtheria and scarlet fever, Immunology of, 47
Diverticulitis of the colon and sigmoid—It's complications and treatment, 912
Diverticulum, Meckel's, Fibrosarcoma of a, producing intestinal hemorrhage, 233
Dixon, Claude F., and Smith, Frederick L.: The adhesive bandage in the treatment of varicose ulcer, 715
Doctor takes a hand in veterans' relief, The, 765
Double branchial cysts complicated by carcinoma of the larynx (case report), 555
Duodenal occlusion and ulcerative colitis, Unusual deficiency syndrome secondary to, 336
Duodenal ulcer, Recent developments in the treatment of, 953

E

Ear, middle, chronic suppuration of the, A new and effective non-surgical method for the treatment of, 1054
Eckman, P. F., and Tuohy, E. L.: Aortic stenosis with calcareous nodules in the aortic valves, 289
Economic importance of squint in children and its effect in after years, The, 324
Economic trend in medicine, The, 118
Economic trend in medicine, The: What is it? 121
Edwards, Ralph T.: Cosas medicas Filipinas (Philippine medical affairs), 346
Electric burns and shock, 701
Empyema, Subcutaneous, following aspiration of foreign body (case report), 654
Empyema, acute, The surgical treatment of, 1042

A new, fireproof building, airy and cheerful, facing the south. Every room an outside room with a pleasant outlook. Thoroughly equipped as to operating rooms, x-ray and pathological laboratories, medical, surgical and obstetrical departments. An efficient staff of doctors. An adequate nursing service. An accredited school of nursing.
 The Hospital's Aim: An adequate service in a cheerful atmosphere at reasonable cost.

MISS LYDIA A. MILLER, R. N., Supt. Asbury Hospital, 916 East 15th Street, Minneapolis, Minn.
